**Gender Harassment Committee**

The onus in preventing gender harassment at workplace lies on the employees and the institutions. The Honorable Supreme Court of India, under “The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013”, has laid down “VISHAKA GUIDELINES”, in order to protect all the employees against gender harassment at workplace. In this regard, Sri Siddhartha Institute of Medical Sciences & Research Centre, being an educational institution, adopts this policy in order to prevent, prohibit and punish gender harassment at workplace. The Policy upholds that every employee, irrespective of gender, shall have the right to work in a safe and congenial work environment, which is free from any form of harassment. It is important to protect the rights of all the employees, irrespective of gender, and also to prevent their exploitation by ensuring gender equality.
