SRI SIDDHARTHA ACADEMY OF HIGHER EDUCATION

(Deemed to be University u/s 3 of the UGC Act, 1956)

Accredited 'A+' Grade by NAAC (2nd Cycle)

Accredited with QS I-Gauge 'Gold' Rating

INTRODUCTION

Sri Siddhartha Academy of Higher Education (SSAHE) was established as a Deemed-to-be University under Section 3 of the UGC Act, 1956, vide notification No. F.9-31/2006-U.3(A) dated 30/05/2008 issued by the Ministry of Human Resource Development, Government of India. The University commenced its operations in June 2008 with Sri Siddhartha Medical College and Sri Siddhartha Dental College as its constituent colleges.

Subsequently, as per Government of India notification No. F.9-31/2006-U.3(A) dated 16/12/2008, Sri Siddhartha Institute of Technology was included as a constituent college and designated as an off-campus centre of SSAHE, thereby expanding the institution's academic scope.

Further strengthening its academic network, the Ministry of Education, Government of India, vide notification No. 10-11/2025-U.3(A) dated 06/11/2025, approved an additional off-campus centre at T-Begur, Nelamangala Taluk, Bengaluru Rural District. This approval included the addition of Sri Siddhartha Institute of Medical Sciences and Research Centre as a constituent institution of SSAHE.

SSAHE has consistently maintained high academic standards and quality benchmarks. It has been accredited by the National Assessment and Accreditation Council (NAAC) with a CGPA of 3.40 on a four-point scale and awarded an A+ Grade on 12/08/2023 during its second cycle of accreditation. The University is recognized under Section 12(B) of the UGC Act by the University Grants Commission, New Delhi, affirming its eligibility for central assistance and research support. In addition, SSAHE has been awarded the "Gold Rating" by QS I-Guage on 31/03/2026, reflecting its commitment to excellence in teaching, research, infrastructure, and institutional performance.

With a clear vision to emerge as a centre of excellence in higher education, SSAHE is dedicated to fostering an environment of continuous learning, innovation, and interdisciplinary collaboration. The University places strong emphasis on research-driven education, skill development, and the integration of emerging technologies in teaching and learning processes. It actively promotes collaboration with academic institutions, healthcare organizations, and industry partners to address contemporary challenges and contribute meaningfully to societal development. Through its commitment to quality education, ethical values, and holistic development of students, SSAHE continues to play a significant role in shaping competent professionals and advancing knowledge across diverse disciplines.

LOCATION

Sri Siddhartha Academy of Higher Education, along with its constituent colleges, is located in the scenic town of Tumkur, which lies just 70 km from Bangalore on National Highway No. 26 (Bangalore-Honnavaara Highway). The campus is easily accessible, with a convenient 90-minute drive from Bangalore International Airport and a mere 6 km distance from Tumkur Bus/Railway Station.

Tumkur is a well-connected town, served by trains and buses from various parts of India, ensuring ease of access for both national and international students. The town enjoys a pleasant and comfortable climate throughout the year, creating an ideal environment for academic pursuits and student life.

As Tumkur continues to emerge as a hub of knowledge and innovation, it is home to several premier professional educational institutions, making it an ideal location for students seeking quality education in a peaceful and progressive environment.

VISION: “Entrancing Education to reach the unreached”

MISSION

- Providing a congenial ambience for learning and creativity in young minds.
- Providing high quality multidisciplinary education and prepare the student to be citizens of the world, proficient in their respective field and to respond to the needs of the society in which they live.
- Providing research and public service activities relevant to the needs of the society.
- To train the student to be morally responsible to the community and serve humanity to their utmost ability.
- Promoting own capacity to manage and develop the institution.

GOALS

- Providing high quality multidisciplinary graduates and motivate to serve humanity at large.
- Producing research papers in all fields, worthy of being published by National & International Journals.
- Providing all facilities for the pursuit of multidisciplinary knowledge, relevant to the needs of contemporary society.
- Implementing public services beneficial to and relevant with the needs of the community at large, national and international.

OBJECTIVES

- To provide for higher education leading to excellence and innovations in such branches of knowledge as may be deemed fit, primarily at undergraduate, post-graduate and research degree levels, fully conforming to the concept of University as defined herein.
- To engage in areas of specialization with proven ability to make distinctive contributions to the objectives of the higher education system in diverse disciplines.
- To provide for higher quality teaching and research recognized nationally and globally.

THRUST AREAS OF THE UNIVERSITY

Aligned with the vision of the National Education Policy 2020, Sri Siddhartha Academy of Higher Education (SSAHE) has identified Medical, Dental, and Engineering & Technology education and research as its core thrust areas within a multidisciplinary framework. The University emphasizes the integration of these domains to promote holistic and flexible learning, enabling students to acquire cross-disciplinary knowledge and skills. In the medical and dental sciences, the focus is on comprehensive healthcare education, clinical training, and translational research, while in Engineering and Technology, the emphasis is on innovation, digital advancement, and problem-solving approaches.

Under NEP-2020, SSAHE encourages interdisciplinary course structures, collaborative research, and skill-based education that bridges the gap between healthcare and technology. The University promotes the convergence of disciplines such as biomedical engineering, health informatics, artificial intelligence in healthcare, and public health technologies. This multidisciplinary approach aims to enhance employability, foster innovation, and address complex societal challenges through integrated knowledge systems, thereby contributing to national development and global competitiveness.

OFFICERS OF THE ACADEMY

CHANCELLOR	-	DR. G. PARAMESHWARA M.Sc (Agri)., Ph.D
VICE-CHANCELLOR	-	DR. K.B. LINGEGOWDA MBBS., MD., FIPM
REGISTRAR	-	DR. ASHOK MEHATHA M.Tech., Ph.D
DEAN (MEDICINE)	-	DR. M.B. SANIKOP MBBS, MS
DEAN (DENTISTRY)	-	DR. PRAVEEN B KUDVA BDS., MDS
DEAN (ENGINEERING & TECHNOLOGY)	-	DR. M. MAHANTESH NADAKATTI B.E, M.TECH, Ph.D

COURSES OFFERED BY THE UNIVERSITY

Medical				Dental		Engineering & Technology		Allied Health Sciences		Research Programmes
UG	PG	SS	Fellowship Courses	UG	PG	UG	PG	UG	PG	
MBBS	MD/MS	M.Ch DM		BDS	MDS	BE	M.Tech MCA MBA	B.Sc	M.Sc	Ph.D

All the courses are recognized by respective apex and statutory bodies.

ADMISSIONS

Sri Siddhartha Medical College and Sri Siddhartha Dental College adhere strictly to the regulations and guidelines prescribed by the University Grants Commission (UGC) and other statutory bodies governing higher education in India. The admission process for medical and dental programmes is designed to ensure transparency, fairness, and merit-based selection.

Admissions to medical and dental courses are conducted on an All India basis, with candidates selected through counselling based on merit in the National Eligibility cum Entrance Test (NEET). The counselling process is administered by the Medical Counselling Committee (MCC) under the Ministry of Health and Family Welfare, Government of India.

This structured and rigorous admission process ensures that only qualified and competent candidates are admitted to these programmes, thereby upholding the standards of academic excellence and commitment to quality healthcare education maintained by the institution

Sri Siddhartha Medical College..... Since 1988

"Colleges are places where pebbles are polished and diamonds are shined." At Sri Siddhartha Medical College (SSMC), we strive to transform the dreams of aspiring medical professionals into reality. Every moment at SSMC is dedicated to the pursuit of excellence and perfection, with a clear focus on advancing healthcare, nurturing talent, and serving humanity.

Established in 1988, SSMC is situated on a sprawling 250-acre campus, providing an ideal environment for both academic and personal growth. The campus boasts world-class infrastructure with a built-up area of 130,134 sq. meters, offering state-of-the-art facilities designed to enhance the educational experience.

Comprehensive Healthcare and Academic Facilities

The teaching hospital is a cornerstone of SSMC's medical education, featuring a 1000-bed capacity, with 12 major operation theatres. Accredited by the National Accreditation Board for Hospitals (NABH), the hospital is equipped with essential units such as Trauma Care, ICU, CCU, NICU, and an RT-PCR Lab (accredited by NABL). Specialized services such as the Cardiac Care Centre and Cath Lab provide advanced diagnostic and therapeutic care. Additionally, a well-equipped Skill Lab ensures that students gain hands-on experience in a controlled environment.

The Radiology Department at SSMC is equipped with cutting-edge imaging technology, including Spiral CT, MRI, and Mammography, enabling high-quality diagnostics.

Modern Academic Infrastructure.

All academic departments are equipped with the latest medical technology, ensuring that students are trained in a technologically advanced environment. The lecture halls are fitted with audio-visual aids to facilitate effective learning. Dedicated buildings house various teaching disciplines, promoting a focused academic atmosphere. A modern, fully air-conditioned auditorium with a seating capacity of 1200 is an important venue for seminars, conferences, and cultural events, enhancing the campus's vibrancy and intellectual engagement.

COURSES OFFERED

MEDICAL AND ALLIED HEALTH SCIENCES PROGRAMMES		
UG COURSE	PG COURSES	SUPER SPECIALITY COURSES
MBBS	PRE-CLINICAL (NON-CLINICAL) 1. MD Anatomy 2. MD Physiology	1. M.Ch. Paediatrics Surgery 2. DM Nephrology

Dermato-Surgery, Trichology, Aesthetic Dermatology, Otology and Implantation Otology, Rhinology and Anterior Skull Base Surgery & Laryngology		

STUDENT ACCOMMODATION AND CAMPUS FACILITIES

Sri Siddhartha Medical College (SSMC) provides separate hostel facilities for both male and female students, designed to ensure a safe, comfortable, and conducive living environment. The hostels are equipped with essential amenities such as recreational facilities, indoor sports, a gymnasium, television, internet access, cafeteria services, and secure locker arrangements to support students' overall well-being.

In addition to residential and academic infrastructure, the campus offers a wide range of essential facilities, including banking services, ATMs, and a post office. Students

also have convenient access to food courts, stationery stores, and a pharmacy to meet their daily needs. The entire campus is enabled with high-speed Wi-Fi connectivity, promoting a digitally inclusive and technology-driven learning environment.

Furthermore, SSMC is equipped with modern infrastructure and advanced electronic facilities to support academic activities and enhance the learning experience. The institution continuously upgrades its facilities in line with contemporary standards, ensuring that students benefit from a progressive and well-equipped campus environment.

DEPARTMENTS

Departments: State-of-the-Art Facilities and Expert Faculty

The academic departments at Sri Siddhartha Medical College are equipped with modern facilities that foster a rich and dynamic learning environment. Each department features specialized experimental and practical laboratories, spacious lecture halls, demonstration rooms, and well-equipped practical classrooms, all enhanced with cutting-edge audio-visual aids to support effective teaching and interactive learning.

Faculty Excellence:

The institution is proud to have a team of highly qualified and experienced faculty members, including Professors, Consultants, and Surgeons, who are committed to delivering high-quality education, training, and mentorship to students. Their deep expertise and clinical experience ensure that students receive comprehensive training, blending theoretical knowledge with practical skills.

Specialized Diagnostic Laboratories:

In addition to the rigorous medical curriculum, the departments are supported by a range of specialized diagnostic laboratories, offering students and researchers access to advanced facilities for hands-on learning and clinical practice. These include:

- Diagnostic Bacteriology
- Serology and Immunology
- Mycology
- Protozoology
- Helminthology
- Histopathology
- Cytology
- Blood Bank
- Haematology

These laboratories not only provide essential services for patient diagnosis but also serve as an integral component of the students' academic training, helping them gain practical exposure to clinical procedures and diagnostic techniques.

RESEARCH

Research and Innovation: Catalysing Scientific Advancement and Academic Excellence

Sri Siddhartha Medical College upholds research as a cornerstone of its academic mission, recognizing its pivotal role in advancing medical knowledge, fostering innovation, and improving healthcare outcomes. To institutionalize and strengthen this vision, the college has established a dedicated Research Centre that serves as a nucleus for scholarly inquiry and interdisciplinary collaboration.

The Research Centre is strategically designed to support a wide spectrum of investigative pursuits—ranging from fundamental and translational research to clinical and community-based studies. It provides an enabling ecosystem that encourages scientific curiosity, facilitates structured mentorship, and ensures the seamless execution of research initiatives.

Initiatives and Impact:

- **Ongoing and Emerging Research Projects:** A multitude of research projects are actively in progress, addressing critical challenges in healthcare delivery, disease management, medical technology, and public health. Several additional projects are in the proposal pipeline, reflecting a sustained momentum in scholarly engagement.
- **Scholarly Publications:** Faculty and postgraduate scholars consistently publish in peer-reviewed national and international journals, contributing to the global body of medical knowledge and enhancing the institution's academic stature.
- **Academic Enrichment through Expert Engagement:** The college regularly hosts distinguished guest lectures, workshops, and research colloquia, fostering an intellectually stimulating environment that benefits both students and faculty. These platforms facilitate exposure to cutting-edge research methodologies, emerging trends, and cross-disciplinary insights.
- **Institutional Support for Research Excellence:** The Research Centre offers comprehensive support in research design, ethical clearance, grant writing, and publication. It promotes a culture of academic integrity, critical inquiry, and evidence-based practice. Collaborative initiatives with external research bodies, healthcare institutions, and governmental agencies further broaden the scope and relevance of research undertaken.

Through its sustained investment in research infrastructure and intellectual capital, Sri Siddhartha Medical College continues to position itself as a center of excellence in medical research and innovation, nurturing future scholars and clinicians capable of transforming healthcare through evidence and discovery.

The New Age Innovation Network (NAIN) 2.0 is an initiative supported by the Government of Karnataka to promote innovation, entrepreneurship, and startup culture among students and young researchers. The program encourages development of technology-driven solutions addressing local ecosystem challenges through prototype design, product development, and translational research. NAIN 2.0 provides mentorship, incubation support, funding assistance, and industry-academia collaboration opportunities to transform innovative ideas into viable startups.

The Project involves a Three years financial support to UG & PG Students of SSMC, Tumkur., to the tune of 50 lakhs (10 Projects – Each Project minimum of 5lakhs) per year. Followed by 12 Lakhs per year maintenance. It amounts to Near about Rupees One Crore eighty-six lakhs (1.86 Crores)

The scheme emphasizes interdisciplinary research, societal impact, and commercialization potential. Students, faculty mentors, and innovators collaborate to develop scalable products and technologies capable of contributing to healthcare, agriculture, biotechnology, engineering, and sustainable development sectors.

CENTRAL LIBRARY

Central Library: A Hub for Knowledge, Research, and Learning

The college boasts a well-equipped Central Library housed in a dedicated building with a built-up area exceeding 17,000 sq. ft., designed to provide an enriching academic environment for students, faculty, and researchers.

Key Features:

- **Extensive Collection:** The library holds a rich collection of over 20,000 books and 450 reputed journals, including both Indian and international publications, across diverse disciplines in medical and allied health sciences.
- **Digital Library Access:** A fully functional digital library is integrated within the premises, offering seamless access to a vast repository of e-journals, e-books, databases, and online academic resources, supporting both coursework and research.
- **Technology Integration:** High-speed internet connectivity is provided throughout the library to facilitate academic browsing, digital learning, and research activities for both students and staff.
- **Extended Hours:** To accommodate diverse academic schedules, the library remains open till late evening on all days, promoting extended study hours and academic flexibility.

- **24x7 Reading Rooms:** Separate reading rooms with round-the-clock access are available, offering a quiet, focused space for students preparing for examinations or engaging in deep study.
- **Special Collections:** The library maintains a unique repository of corporate annual reports from both public and private sector undertakings, along with project reports and research documents, enhancing its role as a research support center.
- **Student Support Facilities:**
 - **Book Bank:** A dedicated book bank facility provides students with essential textbooks on loan for the academic term.
 - **Bibliographic Services:** Professional support for preparing bibliographies and referencing is available.
 - **Photocopying & Binding:** On-site photocopying and binding services are provided for the convenience of students and faculty.

The library's spacious layout, combined with its eco-friendly and serene ambiance, fosters a peaceful environment conducive to academic excellence and lifelong learning.

HOSPITAL

SSMC Hospital: A Center of Excellence in Healthcare and Medical Education

SSMC Hospital stands as a beacon of compassionate healthcare and academic excellence, with a capacity of 1000 beds and state-of-the-art medical infrastructure. Designed to cater to the diverse health needs of the rural population, the hospital functions with a deep commitment to accessible, quality medical care.

The campus comprises distinct buildings for the Outpatient Department (OPD) and Casualty services, ensuring streamlined patient flow and operational efficiency. It houses fully autonomous departments of General Medicine, General Surgery, Obstetrics and Gynaecology, Ophthalmology, Orthopaedics, Paediatrics, Psychiatry, ENT, Dermatology, and Radiology. A well-structured Emergency Department is in constant readiness to respond to critical cases, supported by highly trained personnel and rapid-response systems.

The hospital is equipped with 12 major operation theatres and multiple minor theatres, facilitating a wide spectrum of surgical interventions with precision and safety. Its clinical services are delivered by a team of proficient physicians, supported by nurses trained in advanced patient care techniques—offering not just treatment, but a healing experience.

The architectural design of the hospital reflects a harmonious blend of functionality and serenity. Every aspect—from the spacious corridors and patient rooms to the tranquil waiting areas and meticulously maintained gardens—has been crafted to promote comfort, dignity, and psychological well-being for patients and their families.

SSMC Hospital continues to evolve by integrating cutting-edge medical technologies and pioneering patient-centric services. Beyond its clinical capabilities, it serves as an invaluable

academic resource. The proximity of the medical college to the hospital provides students with immersive, real-time exposure to modern medical practices. This synergy between clinical service and education ensures that students graduate with both theoretical knowledge and the practical acumen necessary to excel in the healthcare profession.

HEALTH CENTRE

Campus Health Centre: Primary Care with a Community Focus

The on-campus Health Centre is a fully furnished and well-equipped primary healthcare facility, occupying a plinth area of 360 square meters. Established with the vision *“to serve the needy population of the localities surrounding the health centre,”* it plays a pivotal role in delivering accessible, quality healthcare to both the campus community and neighboring residents.

Staffed by experienced and highly qualified medical professionals, the Health Centre offers a range of essential services. Facilities include a minor operation theatre, a preliminary diagnostic laboratory, and well-appointed emergency wards, ensuring immediate and effective care in urgent situations.

In addition to serving the broader community, the Health Centre extends its healthcare services to students, faculty, staff, and residents within the campus. It serves areas under Tumkur City Municipal Corporation (CMC) Wards No. 29 and 30, reinforcing its role as a vital hub for preventive and primary medical care.

The Health Centre exemplifies the institution's commitment to community welfare, preventive health, and timely intervention, while also contributing to the overall well-being of the academic and local populations.

COMMUNITY ACTIVITIES

Community Outreach and Public Health Initiatives

In alignment with its commitment to social responsibility and public health, the institution actively engages in a variety of community-focused initiatives aimed at improving healthcare awareness and access in underserved regions. Key community activities include:

- **Voluntary Blood Donation Camps:** Regularly organized on and off campus, these camps promote the spirit of altruism among students, staff, and the general public while supporting local blood banks and emergency medical needs.
- **Rural Health Check-up Camps:** Periodic health screening camps are conducted in rural and semi-urban areas to provide basic diagnostic services, health education, and early detection of diseases. These initiatives bring essential medical care directly to communities with limited access to healthcare facilities.
- **Participation in National Health Programs:** The institution actively collaborates with government agencies to implement and support various national health campaigns. These include awareness drives,

immunization programs, disease prevention efforts, and other initiatives in line with national public health goals.

Through these ongoing efforts, the institution fosters a culture of community engagement, while also providing valuable experiential learning opportunities for students and contributing meaningfully to the region's health and well-being.

MEDICAL EDUCATION DEPARTMENT ACTIVITY

Medical Education Department: Advancing Academic Excellence

The Medical Education Department is committed to fostering a dynamic, student-centric learning environment while continuously enhancing the teaching capabilities of faculty. It plays a pivotal role in shaping academic and professional development through a diverse array of programs and initiatives, including:

- **Orientation Programs:** Comprehensive orientation sessions are conducted for newly admitted undergraduate and postgraduate students, aimed at familiarizing them with the curriculum, institutional policies, code of conduct, and academic expectations. These programs help students transition smoothly into their medical education journey.
- **Faculty Induction and Teaching Methodology Programs:** Structured training programs are organized for newly appointed faculty members to enhance their pedagogical skills. These sessions cover modern teaching strategies, assessment methods, and effective student engagement techniques, ensuring high standards of instruction.
- **Academic Enrichment Activities:** The department regularly organizes interdepartmental seminars, expert guest lectures, and faculty development programs to encourage academic collaboration and knowledge sharing. These events provide a platform for discussing contemporary issues in medical education, clinical practice, and research.

Through these initiatives, the Medical Education Department not only strengthens the academic foundation of students but also cultivates a culture of continuous professional growth among faculty, ultimately contributing to the overall excellence of the institution.

HOSTELS

Hostel Facilities: Comfortable and Inclusive Residential Life

The institution offers well-structured and secure hostel accommodations for both male and female students, with separate buildings designated for undergraduate and postgraduate residents. These facilities are designed to provide a comfortable and conducive living environment that supports academic focus and personal well-being.

To cater to the diverse cultural backgrounds of students, the hostel mess serves hygienically prepared vegetarian meals, offering both North and South Indian cuisine. This ensures that students feel at home and are well-nourished throughout their academic journey.

Each hostel is equipped with essential amenities and is managed by dedicated wardens to ensure safety, discipline, and a supportive residential experience. The hostels not only provide a place to stay but also foster a vibrant campus community that promotes peer interaction, mutual respect, and holistic development.

ALLIED HEALTH PROGRAMMES

Allied Health Sciences: Empowering the Next Generation of Healthcare Professionals

Sri Siddhartha Medical College & Hospital, through its College of Allied Health Sciences, offers a diverse range of specialized programs that prepare students for impactful careers as essential members of the healthcare team. These programs are designed to equip students with the technical expertise and clinical competence needed to support patient care and improve health outcomes.

The college offers comprehensive **Bachelor's and Master's degree programs** in high-demand disciplines such as:

- Operation Theatre and Anaesthesia Technology
- Radiology and Imaging Technology
- Renal Dialysis Technology
- Perfusion Technology
- Respiratory Care Technology
- Other emerging fields in allied health sciences

Each program is meticulously designed to provide in-depth training through a combination of classroom instruction, hands-on laboratory work, and clinical placements. These experiences ensure that graduates are well-prepared to meet the evolving demands of the healthcare industry.

Students pursuing allied health sciences become front-line healthcare professionals who play a critical role in diagnosis, treatment, rehabilitation, and patient support. These programs offer numerous career opportunities in hospitals, diagnostic centers, surgical units, emergency care, and specialized medical facilities.

With a strong focus on interdisciplinary learning and patient-centered care, the College of Allied Health Sciences fosters the growth of skilled professionals committed to enhancing lives and advancing public health.

Sri Siddhartha Institute of Medical Sciences & Research Centre

..... Since 2019

Established in the year 2019, **Sri Siddhartha Institute of Medical Sciences & Research Centre (SSIMS&RC)** stands as a beacon of academic brilliance and healthcare excellence. Nestled within a picturesque, eco-friendly 55-acre campus, the institute combines world-class infrastructure with an unwavering commitment to quality education and patient care.

SSIMS&RC embodies a visionary approach to medical education—where innovation, research, and compassion converge to nurture future leaders in medicine. With a team of highly qualified, experienced, and dedicated faculty, the institution upholds its mission to impart cutting-edge medical knowledge, provide exceptional clinical training, and extend holistic care to the community.

Integrated Teaching Hospital

The institute is complemented by a state-of-the-art, 850-bedded teaching hospital, seamlessly integrated to support academic pursuits and clinical excellence. Accredited by the National Accreditation Board for Hospitals & Healthcare Providers (NABH), the hospital is a tertiary care center offering comprehensive services that include:

- 10 fully equipped modular operation theatres
- Advanced Trauma Care Unit, ICU, CCU, and NICU
- High-end diagnostic capabilities with CT, MRI, Ultrasound, and a RTPCR Laboratory accredited by NABL
- Separate inpatient wards for male and female patients ensuring privacy and specialized care

This clinical infrastructure offers students immersive, hands-on learning experiences across diverse specialties, while delivering compassionate, evidence-based care to the public.

Academic Infrastructure & Learning Environment

SSIMS&RC's academic architecture is thoughtfully designed to foster innovation, research, and interdisciplinary learning. Key features include:

- Digitally-enabled, air-conditioned lecture halls with a seating capacity of 200, ideal for symposia, CME programs, and academic conventions
- Independent departmental blocks outfitted with the latest medical teaching and simulation equipment
- Robust mentorship and clinical rotation programs in alignment with national competency-based medical education standards

Campus Life & Student Amenities

The campus is a self-sustained educational ecosystem, providing a holistic and enriching student experience. Facilities include:

- Separate hostels for boys and girls with modern accommodations, recreational zones, indoor sports, gymnasiums, television lounges, and dedicated internet access
- High-speed Wi-Fi connectivity throughout the campus
- On-campus amenities including cafeteria, banking with ATM, pharmacy, stationery stores, and multi-cuisine food courts

The institution fosters an environment that supports academic focus, physical well-being, and personal growth.

Strategic Location

SSIMS&RC is located just 38 kilometers from Bangalore, India's vibrant technology and innovation capital. The campus is situated alongside the Bangalore–Honnavar Highway, offering seamless connectivity via both road and rail. Surrounded by lush greenery, the location provides a tranquil yet accessible setting conducive to learning and healing.

SSIMS&RC – Where future healthcare professionals are shaped through knowledge, service, and innovation.

DEPARTMENTS

At SSIMS&RC, each academic and clinical department is meticulously developed to support comprehensive medical education and foster advanced diagnostic and research capabilities. Every department is equipped with:

- State-of-the-art experimental and practical laboratories
- Spacious, technology-enabled lecture halls and demonstration rooms
- Dedicated practical classrooms outfitted with modern audio-visual teaching aids

The departments are led by a distinguished team of highly qualified professors, clinicians, and surgeons, each bringing a wealth of experience and expertise in their respective fields. Their commitment to academic rigor and clinical mentorship ensures the highest standards of teaching and training for MBBS students.

Advanced Diagnostic and Research Facilities

In addition to undergraduate teaching, several departments host specialized diagnostic and research laboratories that contribute significantly to clinical services and medical research. These include:

- Diagnostic Bacteriology Laboratory
- Serology and Immunology Units
- Mycology and Protozoology Laboratories
- Helminthology Research Facility
- Histopathology and Cytopathology Laboratories
- Advanced Haematology Section
- Fully equipped Blood Bank with modern transfusion services

These diagnostic units not only enhance the hands-on learning experience for students but also support the hospital's mission of delivering accurate, timely, and quality healthcare services.

All the department are well equipped with experimental laboratory, practical Laboratory, spacious Lecture Hall, Demonstration room, Practical class room, aided with Audio-visual equipments. The faculty members are highly qualified and experienced Professors and Surgeons.

Besides teaching and training the students to MBBS Course, the department has special diagnostic laboratories like Diagnostic Bacteriology, Serology and Immunology, Mycology, Protozoology, Helminthology, Histopathology, Cytology, Blood Bank and Haematology etc.,

COURSES OFFERED

MEDICAL

RESEARCH

At SSIMS&RC, research is an integral pillar of academic excellence and clinical advancement. The institution actively promotes a culture of inquiry, innovation, and evidence-based practice across all disciplines.

Faculty members are deeply engaged in scholarly activities, regularly publishing research papers in reputed national and international journals. Their contributions span a wide array of medical and biomedical fields, furthering knowledge and advancing healthcare practices.

To enrich the academic environment, the institute routinely organizes Guest Lectures, Expert Talks, and Research Seminars, providing a dynamic platform for knowledge exchange. These sessions are designed to:

- Foster interdisciplinary collaboration
- Expose students and faculty to emerging trends and global best practices
- Inspire innovative thinking and critical analysis

The institution is committed to strengthening its research ecosystem by encouraging student participation, facilitating ethical clinical trials, and supporting faculty-led projects through institutional and external funding.

CENTRAL LIBRARY:

The Central Library at SSIMS&RC is a cornerstone of the institution's academic infrastructure, purposefully designed to support and enhance learning, teaching, and research. It is a technologically advanced, resource-rich environment that fosters academic inquiry and intellectual growth.

Key highlights of the Central Library include:

- A comprehensive collection of textbooks, reference materials, and research journals—both Indian and international—spanning all medical and allied health sciences disciplines.
- An integrated Digital Library platform offering seamless access to a vast repository of e-journals, e-books, and academic databases, ensuring global connectivity for learners and researchers.
- High-speed Wi-Fi and internet facilities are available throughout the library, facilitating access to online resources for students and faculty.
- Extended operational hours, with the library remaining open till late evenings on all days to accommodate diverse academic schedules.

Facilities & Student Support

- Dedicated 24x7 reading rooms provide a quiet, well-lit, and comfortable space for uninterrupted study.

- A curated archive of corporate annual reports, project reports, and research theses supports interdisciplinary learning and data-driven research.
- Book Bank services offer students equitable access to core learning materials throughout the academic year.
- Bibliographic assistance, photocopying, and binding services are available to support academic writing, assignments, and project documentation.

HOSPITAL

The teaching hospital at Sri Siddhartha Institute of Medical Sciences & Research Centre (SSIMS&RC) is a cornerstone of the institution's commitment to delivering comprehensive, compassionate, and quality healthcare. With a capacity of 850 beds, the hospital is a state-of-the-art facility designed to serve both as a premier healthcare provider and a vibrant center for clinical training.

The hospital houses independent, fully functional departments for:

- General Medicine
- General Surgery
- Obstetrics & Gynecology (OBG)
- Ophthalmology
- Orthopaedics
- Paediatrics
- Psychiatry
- Otorhinolaryngology (ENT)
- Dermatology
- Radiology

A dedicated OPD (Outpatient Department) block and Casualty Unit are designed to streamline patient flow and ensure timely care, particularly in emergencies. The hospital features:

- 10 fully equipped major operation theatres
- Additional minor OT facilities for day-care and routine procedures
- Advanced diagnostic services and critical care units

A Holistic Healing Environment

SSIMS&RC Hospital is more than just a clinical space—it is a thoughtfully designed healing environment. Every aspect of its architecture and interior design, from aesthetically laid-out waiting areas and patient rooms to well-ventilated wards and lush green outdoor spaces, is crafted to promote well-being and comfort for both patients and their families.

The hospital's workforce includes highly skilled physicians, surgeons, and specially trained nursing professionals, who deliver care with precision and compassion. Their efforts are bolstered by cutting-edge medical technologies and continuous quality improvement practices.

A Living Laboratory for Medical Students

The hospital serves as a dynamic, real-world learning environment for students of SSIMS&RC. With direct exposure to a broad spectrum of medical conditions and clinical cases, students gain invaluable insights into modern medical practice. This integration of academics and patient care fosters:

- Enhanced clinical acumen
- Early development of diagnostic and decision-making skills
- A holistic understanding of patient-centered care

In serving the healthcare needs of the rural and semi-urban communities, SSIMS&RC Hospital not only fulfils a vital societal role but also instils in its students a sense of social responsibility and ethical practice.

SSIMS&RC Hospital has separate building for OPD and Casualty with independent departments of Medicine, Surgery, OBG, Ophthalmology, Orthopaedics, Paediatrics, Psychiatry, ENT, Dermatology, and Radiology. It is an 850-bed capacity hospital, fully equipped with 10 major operation theatres in addition to minor operation theatres. SSIMRC is caring to the needs of rural population. There are skilled doctors with specially trained nurses to give a healing touch to the patients. The layout, interiors and exteriors of the Hospital are aesthetically designed so that every facet: waiting areas, corridors, rooms, wards, as well as the neatly manicured lawns, all provide a soothing ambience for patients and their visitors. Apart from the most advanced medical gadgets and equipments, the Hospital has introduced several new services for the convenience of the populace in the region. The enormous advantage of having such a campus is that the students get a unique and practical insight into a contemporary medical world, giving them a head start and lending a rare perspective to their academic pursuits.

COMMUNITY ENGAGEMENT & OUTREACH ACTIVITIES

SSIMS&RC is deeply committed to community welfare and public health promotion, actively extending its resources and expertise beyond the campus to serve the broader society. Through a range of structured outreach initiatives, the institution instills values of empathy, service, and social responsibility among its students and staff.

Key Community-Based Activities Include:

- **Voluntary Blood Donation Drives:**
Regularly organized in collaboration with the institution's blood bank and local organizations, these drives encourage voluntary participation and help maintain a robust blood supply for emergency medical needs.
- **Rural Health Screening Camps:**
Periodic health check-up camps are conducted in underserved rural areas, offering diagnostic services, medical consultations, and basic treatment. These camps play a vital role in early detection and management of

- common health conditions while raising awareness on hygiene and preventive care.
- **Participation in National Health Programs:**
SSIMS&RC actively contributes to various national health missions and public health initiatives, aligning with government programs such as:
 - Pulse Polio Immunization
 - Tuberculosis Control (RNTCP)
 - Non-Communicable Diseases (NCD) screening
 - Reproductive and Child Health (RCH) initiativesThese activities reinforce the institution's role as a stakeholder in national healthcare objectives.

Through these outreach efforts, SSIMS&RC not only enhances community health but also provides its students with real-world exposure to public health challenges, thereby enriching their learning with social and ethical dimensions.

MEDICAL EDUCATION DEPARTMENT ACTIVITY

The Medical Education Department at SSIMS&RC plays a pivotal role in enriching academic excellence and fostering a learner-centric, competency-based medical education ecosystem. The department ensures continuous professional development for both faculty and students through structured training programs and scholarly activities.

Core Activities of the Medical Education Department:

- **Orientation Program for Newly Admitted Undergraduate Students:**
A comprehensive induction program is conducted to welcome first-year MBBS students, helping them transition smoothly into medical education. The orientation includes:
 - Introduction to the curriculum and institutional ethos
 - Sessions on ethics, professionalism, and communication skills
 - Familiarization with support systems, including mentorship and counseling services
- **Teaching Methodology Training for Newly Appointed Faculty:**
Newly inducted faculty members undergo structured workshops on modern pedagogical approaches, assessment techniques, and student engagement strategies. The program ensures alignment with the Competency-Based Medical Education (CBME) framework recommended by the National Medical Commission.
- **Academic Enrichment Activities:**
The MED regularly organizes a variety of academic forums to promote interdisciplinary collaboration and knowledge sharing:
 - Interdepartmental Seminars that encourage collaborative teaching and integrated learning

- Guest Lectures by renowned experts from premier medical and research institutions
- Faculty Development Programs (FDPs) focused on medical education technologies, assessment tools, research methodology, and clinical teaching excellence

Through these initiatives, the Medical Education Department fosters a culture of academic innovation, lifelong learning, and reflective practice among the teaching faculty, while simultaneously ensuring that students receive a dynamic, holistic medical education.

HOSTELS

Hostel Accommodation

SSIMS&RC provides separate, secure hostel facilities for both male and female students, ensuring a comfortable, supportive, and homely living environment that complements academic life.

Key Features:

- Well-maintained hostel blocks located within the campus, offering easy access to academic and recreational facilities
- North and South Indian vegetarian cuisine is served in hygienic, spacious dining halls, catering to diverse regional preferences and nutritional needs
- Rooms are well-ventilated and furnished with essential amenities to support a conducive study and rest environment
- Round-the-clock security, wardens, and maintenance services ensure student safety and wellbeing
- Facilities for indoor games, recreation areas, Wi-Fi access, and laundry services are available to enhance residential life

The hostel environment at SSIMS&RC is thoughtfully designed to foster a sense of community, discipline, and personal growth—providing students with the stability and comfort they need to focus on their academic and clinical pursuits.

Sri Siddhartha Dental College Since 1992

Founded in 1992 by the esteemed Sri Siddhartha Education Society, Sri Siddhartha Dental College (SSDC) was established with a visionary goal—to provide exceptional dental education and advanced oral healthcare services to the rural population of Tumkur, Karnataka. As a result, the institution has consistently strived to deliver cutting-edge education, foster groundbreaking research, and serve the broader community through a commitment to excellence in dentistry.

Academic Excellence & Vision:

With a focus on both the science and the art of dentistry, SSDC has evolved over the years into a prestigious institution recognized for its unwavering commitment to patient-centered care and innovative dental education. By constantly redefining standards in oral healthcare, SSDC aims to be at the forefront of dental education, promoting comprehensive oral health policies that respond to the diverse needs of society.

Campus and State-of-the-Art Facilities

Strategically located just 100 meters from the Sri Siddhartha Medical College, SSDC occupies a sprawling 25-acre campus with a built-up area of 73,286 sq. ft. The college is designed to provide an optimal learning environment, featuring well-equipped departments, modern undergraduate and postgraduate clinics, seminar halls, and specialized laboratories. This infrastructure is tailored to meet the academic, clinical, and research needs of students and faculty alike.

Mobile Dental Unit for Rural Outreach

A hallmark of SSDC's commitment to community service is its Mobile Dental Unit, which allows the institution to deliver critical oral healthcare services to underserved rural areas. This initiative is a key component of SSDC's outreach program, ensuring that high-quality dental care is accessible to populations who would otherwise face significant barriers.

Faculty & Research Leadership

SSDC takes immense pride in its highly qualified and dedicated faculty members, whose expertise and commitment to student success are central to the college's academic achievements. The faculty maintains rigorous adherence to the standards set forth by

the National Dental Commission (NDC). Beyond their teaching roles, SSDC's educators actively engage in academic research, often presenting their work at national and international conferences, where they contribute to the advancement of dental science and practice.

The institution's faculty and staff are deeply invested in the holistic development of students, preparing them not only as competent professionals but also as future leaders in the field of dentistry.

A Legacy of Excellence

Over the past three decades, SSDC has built a legacy of excellence in dental education, healthcare, and community outreach. By blending high-quality teaching with a patient-first philosophy, SSDC continues to shape the future of dentistry, both regionally and nationally, while nurturing the development of well-rounded dental professionals ready to meet the evolving challenges of the field.

MOTTO AND PHILOSOPHY

**At Sri Siddhartha Dental College (SSDC), our guiding motto is:
"Good Citizen First, then Good Dental Surgeon."**

This philosophy underscores our holistic approach to education, emphasizing not only academic and clinical excellence but also the development of character, ethics, and social responsibility. We believe that a successful dental professional must first and foremost be a responsible and compassionate individual who is committed to the well-being of society.

To achieve this ideal, SSDC provides a rigorous, disciplined training program that blends academic learning with extracurricular activities, fostering well-rounded individuals who are equipped to meet both the technical and ethical challenges of modern dentistry.

Centre of Excellence:

Siddhartha Smile

As part of our commitment to providing the highest standards of dental care and education, SSDC proudly houses the "Siddhartha Smile" Centre of Excellence in Dentistry. This cutting-edge facility is equipped with state-of-the-art technology and advanced armamentarium, enabling us to offer pioneering treatments in the following specialized areas:

- Implant Dentistry
- Laser Dentistry
- Oral and Maxillofacial Surgery

At Siddhartha Smile, patients benefit from the most modern techniques and treatments available, ensuring the highest standards of care. The center also serves as a dynamic

learning environment for students, allowing them to gain hands-on experience with advanced procedures and technologies under the supervision of expert faculty.

Siddhartha Centre of Excellence and Eminence (SCEE)

As part of its commitment to continuous academic and professional advancement, Sri Siddhartha Dental College has established the ***Siddhartha Centre of Excellence and Eminence (SCEE)***. This Centre is dedicated to enhancing specialized skills and knowledge in the field of dentistry beyond the scope of the regular academic curriculum.

The Centre offers short-term certificate courses, advanced clinical training programs, and hands-on workshops in emerging and specialized areas of dental science. These programs are designed to bridge the gap between theoretical knowledge and clinical practice, equipping students and professionals with industry-relevant competencies.

A key feature of the Centre is the engagement of distinguished external mentors and subject experts from across India and abroad. These experts bring global perspectives, advanced techniques, and contemporary practices into the learning environment, thereby enriching the academic ecosystem.

Notably, this initiative marks a pioneering effort in South India, where Sri Siddhartha Dental College has taken a lead in offering structured excellence programs outside the traditional curriculum. One such example includes advanced training in bone grafting, which provides participants with specialized surgical skills and exposure to cutting-edge procedures.

Through this Centre, the institution aims to:

- Promote clinical excellence and innovation
- Provide industry-oriented and skill-based education
- Foster collaboration with national and international experts
- Enhance the employability and professional competence of students

The Siddhartha Centre of Excellence and Eminence stands as a testament to the institution's vision of becoming a hub for advanced learning, research, and professional excellence in dental education.

COURSES OFFERED

Under Graduate	Post Graduate
Bachelor of Dental Surgery (BDS)	MDS : Master of Dental Surgery 1. Conservative Dentistry & Endodontics 2. Orthodontics & Dentofacial Orthopedics 3. Periodontology 4. Oral & Maxillofacial Surgery 5. Paedodontics & Preventive Dentistry 6. Prosthodontics and Crown & Bridge 7. Oral Pathology & Microbiology

DEPARTMENTS

- Conservative Dentistry and Endodontics
- Oral & Maxillofacial Pathology & Oral Microbiology
- Oral and Maxillofacial Surgery
- Oral Medicine and Radiology
- Orthodontics & Dentofacial Orthopedics
- Pedodontics & Preventive Dentistry
- Periodontology
- Prosthodontics and Crown & Bridge
- Public Health Dentistry

SATELLITE DENTAL CLINICS

In line with our commitment to providing comprehensive dental care to both urban and rural populations, **Sri Siddhartha Dental College (SSDC)** operates two satellite dental clinics designed to serve diverse communities:

- **Rural Health Centre:**
Located in **Nagavalli, Tumkur Rural**, this clinic focuses on providing essential dental care and health education to the rural population. Through this initiative, SSDC ensures that high-quality dental services are accessible to underserved areas, improving oral health awareness and treatment in rural regions.
- **Urban Health Centre:**
Situated at the **Sri Siddhartha Institute of Technology, Tumkur Urban**, this clinic serves as a vital resource for the local urban population, offering advanced dental care and educational opportunities for students. The Urban Health Centre is equipped with modern facilities to ensure comprehensive patient care and hands-on learning experiences for dental students.

LIBRARY FACILITIES

The Sri Siddhartha Dental College is proud to offer a well-equipped Dental Library, in addition to the Central Library, to support the academic and research needs of its students and faculty. The library is a vital resource, providing access to a wide range of books, journals, and digital materials.

Key features of the library include:

- **Collection of Books and Journals:**

The library houses a comprehensive collection of 3,845 books and 307 current journals across various dental specialties, ensuring that students and faculty have access to the latest research and textbooks.

- **Specialized Sections:**

The library is organized into dedicated sections to cater to different needs:

- Reference Section for quick access to essential resources
- Journal Section for academic and research-oriented reading
- Postgraduate (PG) Section offering specialized resources for postgraduate students.

- **Digital Section:**

The library includes a Digital Section that provides access to e-journals, offering students and faculty the ability to explore a vast array of digital research articles, publications, and resources.

- **Subscription to Printed Journals:**

To further support Postgraduate students, the library subscribes to printed volumes of journals in all dental specialties, ensuring comprehensive coverage of both academic and clinical developments.

HOSTEL FACILITIES

Sri Siddhartha Dental College offers comfortable and well-maintained hostel accommodations for both boys and girls, with separate facilities to ensure privacy and convenience.

Key features of the hostel facilities include:

- **Separate Hostels for Boys and Girls:**

The hostels are designed to provide a safe, secure, and homely environment for students, with individual hostels for boys and girls.

- **Catering Services:**

The hostels provide nutritious vegetarian meals, with both North Indian and South Indian styles of cuisine available, ensuring a variety of food options to cater to the diverse preferences of students.

The hostels are equipped with essential amenities to make the stay comfortable, including well-ventilated rooms, recreation areas, and access to necessary utilities

OTHER AMENITIES:

Sri Siddhartha Dental College proudly features a state-of-the-art auditorium, meticulously designed with cutting-edge acoustic engineering, intelligent seating solutions, high-definition digital display systems, and advanced sound and lighting technology. This modern facility comfortably accommodates up to 320 attendees, providing an exceptional environment for academic events, conferences, and cultural programs.

"Sri Siddhartha Dental College is in the process of establishing a pioneering Centre of Excellence in Advanced Dentistry, envisioned as a hub for innovation, research, and specialized clinical care. Anchored in cutting-edge technology and interdisciplinary expertise, the centre will prominently focus on Sports Dentistry, offering comprehensive solutions for the prevention, diagnosis, and management of oro-facial injuries among athletes—an emerging and vital domain in dental science.

Complementing this initiative, a world-class Aesthetic Dentistry Unit will be developed, dedicated to the art and science of smile design. Leveraging advanced digital planning tools and minimally invasive techniques, this unit will redefine esthetic outcomes by offering highly customized, precision-driven smile enhancements, embodying the future of personalized dental care."

PART - A

1. Admission Process

As per the directives of Hon'ble Supreme Court of India and the Ordinances promulgated by the Central Government. Admissions to undergraduate courses in Medical (MBBS) and Dental (BDS) for the academic year 2026-27 in constituent colleges of 1). "[Sri Siddhartha Medical College](#)" (SSMC), Tumkur, 2). "[Sri Siddhartha Institute of Medical Sciences & Research Centre](#)" (SSIMS&RC), T-Begur Village, Nelamangala Taluk, Bangalore Rural District, and 3). Sri Siddhartha Dental College (SSDC), Tumkur, will be done on the basis of marks obtained in the NEET (UG) 2026. Admission process will be carried out by Medical Council Committee (MCC) / DGHS (Directorate General of Health Services, Govt. of India) Ministry of Health & Family Welfare for academic year 2026-27.

2. Intake capacity, distribution of seats and duration of courses:

Name of the constituent College & Address	Course	Intake Seats	All India Quota	NRI Quota	Duration of Course
			85%	15%	
Sri Siddhartha Medical College Agalakote, B.H. Road, Tumkur -572107	MBBS	250	213	37	4 & 1/2 Years plus One year Internship
Sri Siddhartha Institute of Medical Sciences & Research Centre, T-Begur Village, Nelamangala Taluk, Bangalore Rural District - 562123	MBBS	250	213	37	
Sri Siddhartha Dental College Agalakote, B.H. Road, Tumkur -572107	BDS	40	34	06	4 Years plus One year Internship

3. Distribution of Seats

- General Category: 85 % seats are reserved under this category. Admission to this category will be made on the basis of NEET (UG) 2026 Merit list.
- NRI (Non-Resident Indians) / PIO (Persons of Indian Origin) / FN (Foreign Nationals) Category: 15 % seats are reserved under this Category. The Foreign National (FN), wards of Persons of Indian Origin (PIO) settled abroad and wards of Non-Resident Indians (NRI) are eligible to apply under this category.

- c) From, 2017 the Hon'ble Supreme Court of India in W.P.(C) No.267 of 2017 (Dar-Us-Slam Educational Trust case) directed the MCC of DGHS, MoHFW to conduct counseling of 100% seats of Deemed Universities.

Note: There will be four rounds of counselling i.e. Round 1, Round 2, Round 3 and Stray Vacancy Round. All the 4 rounds shall be conducted online by MCC as per the directions of the Hon'ble Supreme Court of India vide order dated 12.12.2022.

All the candidates who have qualified for All India Quota seats on the basis of their rank in NEET UG conducted by NTA including candidates from Union Territory of J&K will be eligible. Eligible candidates may download the Rank letter/ Result from NTA website.

4. Eligibility and Qualifications

Eligibility Condition for Deemed University:

1. The Candidate should have qualified NEET UG.
 2. Domicile free.
- AND**
- Candidate must be an Indian National. The Nationality Certificate issued by the District Magistrate / Additional District Magistrate /Chief Metropolitan Magistrate or a valid passport will be considered as a proof of Nationality.
 - He/she has completed age of 17 years at the time of admission or will complete the age on or before 31st December of the year of his/her admission to the 1st year MBBS Course.
 - Candidate must have passed any of the qualifying examinations as enumerated below. The Higher/Senior Secondary Examination or the Indian School Certificate Examination which is equivalent to (10+2) Higher/Senior Secondary Examination which is conducted after a period of 12 years study, the last two years of such study comprising of Physics, Chemistry, Biology/ Bio-technology (which shall include practical tests in these subjects) and Mathematics or any other elective subject with English as a core course.

NOTE: where the course content is not as prescribed for 10 +2 education structure of the National Committee, the candidates will have to undergo a period of one-year pre -professional training before admission to the Medical Colleges.

OR

- The Intermediate/Pre-degree Examination in Science of an Indian University/Board or other recognized examining body with Physics, Chemistry, Biology /Bio-technology (which shall include practical test in these subjects) and also English as compulsory subject.

OR

- The Pre-professional/Pre-medical Examination with Physics, Chemistry, Biology/Biotechnology & English after passing either the Higher Secondary Examination or Pre- University or an equivalent examination. The Pre-professional/Pre-medical examination shall include practical test in these subjects and also English as compulsory subject.

OR

- The first year of the three years degree course of a university recognized by University Grants Commission (UGC) with Physics, Chemistry and Biology/Biotechnology including practical tests in these subjects, provided the examination is a University Examination and further that he/she has passed the earlier qualifying examination with Physics, Chemistry, Biology/Bio-technology and English.

OR

- B.Sc. Examination of an Indian University recognized by University Grants Commission (UGC), provided that he/she has passed B.Sc. Examination with not less than two of the subjects Physics, Chemistry, Biology (Botany, Zoology)/Bio-technology and further that he/ she has passed the earlier qualifying examination with Physics, Chemistry, Biology and English

OR

- Any other examination which in scope and standard is found to be equivalent to the Intermediate Science Examination of an Indian University/Board, taking Physics, Chemistry and Biology/Bio-technology including practical tests in each of these subjects and English. For such qualification, the candidates are required to obtain equivalence certificate from AIU (Association of Indian Universities, New Delhi).
- Candidate belonging to general category must have passed in the subjects of Physics, Chemistry, Biology/ Biotechnology and English individually and must have obtained minimum 50% marks in Physics, Chemistry and Biology/Biotechnology taken together at the qualifying examination.
- Candidate belonging to backward classes (SC, ST, & OBC) must have passed in the subjects of Physics, Chemistry, Biology/ Biotechnology and English individually and must have obtained a minimum 40% mark in Physics, Chemistry and Biology/ Biotechnology taken together at qualifying examination.
- Candidates belonging to the backward class must attach a copy of the caste and caste validity certificate along with the application form. It should however be noted that there is no reservation for students belonging to backward class. This certificate is required in support of relaxation of eligibility criteria i.e. if such a candidate gets admission on

the basis of NEET (UG) 2026, but has secured less than 50% marks in qualifying examinations.

- Candidates Qualified (10+2) under a foreign system in India, are required to obtain equivalence certificate from AIU (Association of Indian Universities, New Delhi). For more details about obtaining AIU equivalence certificate, please visit the official website of AIU- <http://www.aiuweb.org/evaluation/evaluation.asp>.
- Candidates belonging to general category who secure minimum of marks at 50 percentile in NEET (UG) 2026 and satisfy the eligibility norms laid down by respective councils will be eligible for admission to MBBS / BDS Courses.
- Candidates belonging to backward classes (SC/ST & OBC) who secure minimum of marks at 40 percentile in NEET (UG) 2026 and satisfy the eligibility norms laid down by respective councils will be eligible for admission to MBBS/BDS Courses.

5. Annual Fee Structure

(a) The annual fees payable by the candidate admitted to the constituent Colleges of SSAHE viz., 1). Sri Siddhartha Medical College (SSMC) ,2). Sri Siddhartha Institute of Medical Sciences & Research Centre (SSIMS&RC) and 3). Sri Siddhartha Dental College (SSDC) for the academic year 2026-27, will be as given below...

Name of the College	General Category			NRI/PIO/FN Category		
	Tuition Fee in Rs.	Other Fees in Rs.	University Fee in Rs.	Tuition Fee in US \$	Other Fees in US \$	University Fee in US \$
	(1)	(2)	(3)	(1)	(2)	(3)
SSMC	18,10,000/-	71,000/-	50,000/-	\$ 50000	\$ 790	\$ 570
SSIMS&RC	18,10,000/-	71,000/-	50,000/-	\$ 50000	\$ 790	\$ 570
SSDC	3,50,000/-	61,000/-	40,000/-	\$ 6300	\$ 690	\$ 570

(b). Mode of Payment - At the time of admission, the candidate will have to bring a demand draft/s OR Proof of RTGS / NEFT of entire fees mentioned in clause (a) above:

6. Physical Reporting Venue:

Name of the College	Venue	Time
Sri Siddhartha Medical College	Office of the Principal Sri Siddhartha Medical College Agalakote, B.H. Road, Tumkur - 572107	9.00 AM To 5.00 PM
Sri Siddhartha Institute of Medical Sciences & Research Centre,	Office of the Principal Sri Siddhartha Inst. of Medical Sciences & Research Centre, T-Begur, Nelamangala Taluk, Bangalore Rural District - 562123	
Sri Siddhartha Dental College,	Office of the Principal Sri Siddhartha Dental College Agalakote, B.H. Road, Tumkur - 572107	

7. Documents required at the time of Admission:

The following mentioned documents are to be submitted in original at the time of reporting to the College as per the schedule announced by MCC for General Candidates:

- 1) Online allotment letter of MCC
- 2) NEET UG 2026 Qualified Marks / Rank Card
- 3) S.S.C. / 10th Standard Statement of Marks
- 4) H.S.C. / 12th Standard / Equivalent Examination Statement of Marks
- 5) Leaving / Transfer Certificate
- 6) Bonafide and Character Certificate from Head of Institution last attended.
- 7) Certificate of Age (S.S.C. or 10th Passing Certificate / Valid passport)
- 8) Caste & Caste validity certificate (by candidates belonging to all Backward class) (if applicable).
- 9) Copy of Aadhar Card
- 10) Copy of PAN Card
- 11) Migration certificate - Original + 3 copies (other than Karnataka board candidates)
- 12) Physical fitness certificate
- 13) 8 passport size and 8 stamp size photos
- 14) **Three self attested photo copies separate sets of above all documents as per above sequence**
- 15) Fee Remittance Details OR Demand Draft of Tuition Fees

In addition to the above, the NRI Applicants should have to submit the following additional documents.

- 1) Affidavit of the person who is NRI and the sponsorer.
- 2) Documents claiming that the sponsorer is an NRI (Passport, Visa of the sponsorer)
- 3) Affidavit from the sponsorer that he/ she will sponsor the entire course fee of the candidate.
- 4) Embassy Certificate of the Sponsorer.
- 5) Citizenship of the candidate if holding OCI/PIO
- 6) Relationship with NRI with the candidate as per the court order of Hon'ble Supreme court of India in the case W.P (C) no. 689/2017 – Consortium of Deemed Universities in Karnataka (CODEUNIK) & Anr. Vs Union of India & Ors dated 22.08.2017
- 7) The degrees/Certificates of the candidates must have been recognized and approved by the Association of Indian Universities (AIU) if the qualifying examination is other than the 10 + 2 of India.

The candidates who are claiming to be eligible for admission under NRI quota, has to fulfil the eligibility criteria, as per the directions/orders of the Hon'ble Supreme Court of India

Who can sponsor under NRI Seat:

Sl. No.	Eligibility
1	Mother or Father of the student
2	Real Brother and Sister of the student
3	Real Brother and sister of Father or Mother i.e real uncle and real aunt of the student
4	Father and Mother of Father or Mother of the student i.e. Grand parents
5	First degree – paternal and maternal cousins of the student.

Important Note: NRI Applicants:

Applicants seeking admission under the NRI quota must ensure that the person sponsoring them holds valid NRI status, resides abroad, and has acted as the guardian of the student. A Notarized Affidavit confirming this relationship must be submitted at the time of admission on a ₹20 stamp paper. The NRI quota also includes Overseas Citizens of India (OCI) and Persons of Indian Origin (PIO). The course fee must be paid in US Dollars; if paid in Indian Rupees, the payment must be made through the NRI account of the sponsorer.

8. Cancellation of admission & refund of fees

a) Cancellation: A candidate who has confirmed his / her admission may cancel it by submitting an application to the Competent Authority, along with the following....

- I. Application for cancellation duly signed by the candidate & co-signed by Parent / Guardian.
- II. Original Admission Letter
- III. Original Fees Receipts

b) Cancellation and Refund Policy for Under Graduate course: A candidate who has confirmed his / her admission may cancel it by submitting an application to the Competent Authority, SSMC or SSIMS&RC or SSDC.

After cancellation of Admission, following rules for refund of fees will be binding on candidate...

- 1) Candidate should inform the institution about his intention to join or not to join the institution.
- 2) It is mandatory to join the institution in stipulated time as mentioned in the counselling schedule to the MCC/DGHS or else his admission stands cancel and vacant seat will be made available to subsequent rounds.
- 3) If candidate cancels the admission before commencement of academic session (as per MCC and NMC /DCI guidelines / directions). The Entire

- amount of Annual Tuition Fees will be refunded after deduction of processing fee of Rs. 20,000/-.
- 4) If candidate does not inform the institution about his intention or does not join within 7 days after start of academic session, his admission stands cancelled. c) Cancellation during the conduct of the course

In event of failure to qualify or continue the chosen UG programme, for whatever reasons, the students will be liable to pay the complete course fee to secure NOC and return of original documents from the institute concerned. Application needs to be submitted to the Principal/ Dean of the college to this effect.

9. Commencement of Classes

The M.B.B.S or B.D.S courses will commence as per the directions of NMC/DCI. (Date will be notified in University / Medical or Dental college website) Candidates will be required to be present in the campus and report to the Dean / Principal of the respective college to which he / she is admitted.

10. Discipline

The candidates admitted in the constituent colleges of the University are subjected to the discipline and conduct rule of the SSAHE. A disciplinary Committee will deal with all cases either suo-moto or when referred to by the Dean / Principal of the concerned College. The decision of the Vice-Chancellor shall be final in this regard.

11. Court Jurisdiction

All legal disputes related to admission procedure to constituent colleges of Sri Siddhartha Academy of Higher Education are subject to the jurisdiction of the Courts at Tumkur and High Court of Bangalore bench at Karnataka, with advance legal notice of one month to SSAHE.

12. Disclaimer

Sri Siddhartha Academy of Higher Education (SSAHE) has not authorized any individual or agency to act as an agent for dealing with admissions to its constituent colleges. SSAHE will not be held responsible for any activities conducted by such individuals or agencies.

The contents of the Prospectus are subject to change at the discretion of the University. Any modifications or updates will be notified on the official SSAHE website: www.ssahe.edu.in.

13. Ragging

Ragging in any form, either within or outside the educational institution, is strictly prohibited at SSAHE campuses. In accordance with the Supreme Court of India's directive, ragging is considered a criminal offence, and any involvement in such activities will lead to severe consequences.

The University has established specific rules and regulations to combat ragging, in line with the UGC guidelines. Students found guilty of participating in ragging will face disciplinary action, which may include legal proceedings as prescribed by law.

SSAHE is committed to providing a safe, respectful, and supportive environment for all students, free from any form of harassment or intimidation.

14. Hostel Rules and Regulations

The Hostel Rules & Regulations are mandatory for all students pursuing their studies in the constituent colleges of Sri Siddhartha Academy of Higher Education (SSAHE). A detailed booklet outlining the rules and regulations will be provided to each student upon admission. It is expected that students residing in the hostel (both Boys' and Girls' Hostels) adhere strictly to these guidelines for the duration of their stay.

Hostel Procedures:

- **Leaving the Hostel Premises:**

Students intending to leave the hostel premises for emergencies, weekends, or holidays must follow the prescribed procedure and obtain necessary permission from the hostel authorities. This includes informing the authorities about the departure and adhering to the stipulated protocol for safety and security.

- **Failure to Inform or Return on Time:**

If a student leaves the hostel without seeking permission or fails to notify the authorities of their arrival or return within the designated time frame, the responsibility for such actions will rest with the student and their legal guardian or parents. The hostel authorities will not be held liable.

- **Parental/Guardian Responsibility:**

In the event of a student's failure to return on time or inform the authorities about their whereabouts, it is mandatory for the **parents** or **legal guardians** to report the student's whereabouts to the hostel authorities immediately. They must provide necessary documentation as proof of the student's location and any extenuating circumstances.

Disciplinary Action:

Any violation of the hostel rules and regulations will result in disciplinary action in accordance with the established **SSAHE** guidelines. This may include penalties or other actions as prescribed by the university.

Hostel Accommodation & Facilities:

The university provides comfortable and well-equipped hostel accommodation for both **undergraduate** and **postgraduate** students. These hostels meet international standards and include the following facilities:

- Separate hostels for boys and girls
- Multi-gym
- Wi-Fi connectivity
- Indoor sports facilities
- Advanced communication facilities

If the students.....

- 1) Leave the hostel premises without seeking necessary permission from hostel authorities or any intimation or not following laid down procedure of the hostel.
- 2) Do not return or intimate his/ her arrival in hostel in time it will be considered as responsibility of the concerned student and legal parents' guardian.
- 3) In such situation it is mandatory for parents to report of whereabouts of their ward in any circumstances, legal guardian to intimate concerned authorities with necessary documents as proof.

Violation of the disciplinary rules will be followed by disciplinary action as per SSAHE rules.

The university provides comfortable hostel accommodation. Adequate number of international standard hostels for undergraduate and post graduate students of all disciplines (separate for boys and girls) with multi-gym, Wi-fi, indoor sports and advanced communication facilities are provided in the campus.

15. Details of the Teaching faculty

The details of teaching faculty of Sri Siddhartha Medical College, Sri Siddhartha Institute of Medical Sciences & Research Centre and Sri Siddhartha Dental College is available on constituent college websites: www.ssmctumkur.org / www.ssimrc.in / www.ssdctumkur.org respectively.

16. Physical and Academic Infrastructure

The details of Physical and Academic Infrastructure and other facilities available like Hostel Accommodation, Library, Hospital, Bank etc. is available on constituent college websites: www.ssmctumkur.org , www.ssimrc.in and www.ssdctumkur.org respectively.

17. Course structure/ Syllabus

A broad outline of the syllabus, along with the detailed course structure, including teaching hours, practical sessions, and clinical postings, is available on the website: www.ssahe.edu.in

18. Counselling Scheme: (As per MCC/DGHS website www.mcc.nic.in)

The counselling scheme for medical and dental admissions through the Medical Counselling Committee (MCC) and Directorate General of Health Services (DGHS), as per their official guidelines, typically follows these steps:

1. Submission of Application Form:

- Students must fill out the online application form available on the official MCC website (www.mcc.nic.in) to participate in the counselling and admission process.
- The form submission is crucial to begin the process of allocation to medical colleges.

2. Counselling Process:

- Once the application form is submitted, the counselling process begins. It usually occurs in multiple rounds, with the first round focusing on the allocation of seats based on merit.

- Students will be allotted a college or course based on their rank and preferences chosen in the application.

3. Processing Fee:

- A processing fee must be paid by the students as part of the application process. This fee is typically non-refundable.
- The payment can be made online during the application submission on the MCC website.

4. Display of Merit List:

- After the application forms are processed, the merit list will be displayed on the MCC website. The merit list includes the names of students selected for counselling and their respective ranks.
- The merit list is the basis for the counselling and seat allotment in medical institutions.

5. Selection Process:

- The selection process is based on the rank in the merit list, category (if applicable), and choices filled during the application.
- Students selected in the merit list will receive a seat in one of the designated colleges based on their preference and availability of seats.

For further details or updates, students should frequently check the official MCC website (www.mcc.nic.in) for notifications, guidelines, and updates related to the admission process.
